Golaghat Purbanchalik College, in its commitment to holistic student development, has launched a Skills Enhancement Initiative aimed at empowering students with practical and life-enriching skills. Additionally, the program offers workshops on yoga to promote physical and mental well-being, cutting and tailoring courses to nurture entrepreneurial abilities, and specialized beauty makeup training to open avenues in the beauty industry. A unique feature of this initiative is the workshop on beauty enhancement using waste materials, encouraging creativity and sustainability while transforming everyday waste into valuable beauty products. Through these diverse training opportunities, the college aims to equip students with the skills needed to thrive in today's competitive world.
