

GOLAGHAT PURBANCHALIK COLLEGE ALUMNAE ASSOCIATION

About Alumni Association:

We, at Golaghat Purbanchalik College believe in holistic education that goes beyond achieving academic excellence. Due to the excellent rapport shared by our faculties with alumni we are able to make a strong bonding and network between the alumni and the institute. Our alumni have established themselves as successful individuals in almost every field of their lives and we are extremely proud of them. We have our alumni all over the nation which have kept the name of our college high since its beginning. Golaghat Purbanchalik College Alumni often cite the foundation they received here as key to their success in life.

The Motto of Alumni Association is to create a platform for the mutual growth of alumni and the institution.

The main objectives of the Association are:

- To revive the bond between the Alumni and the institution by successful reunions and periodical alumni meetings.
- To exchange professional knowledge.
- To generate funds and resources through membership fees to help the needy and deserving students and carry out the objectives of association in the best interest of Golaghat Purbanchalik College.
- To organize seminars, webinars, workshops, and training courses involving/associating alumni from various fields for students' welfare.

Golaghat Purbanchalik College has a formal Alumni Association (founded by Mr. Ahmed Hussain) which is working effectively since 2014. The office bearers of Association meet annually over lunch and discuss the modalities to reinforce the bond between the alumni and the institution. For the current academic year, Golaghat Purbanchalik College Alumni Meet was held on 30th October 2021 under the aegis of IQAC in the college. The College has Alumni Associations also which organizes their annual meets and interaction sessions at regular basis. We felicitate and honor our academic achiever alumni also. Many of them hold the key positions of major influence. We appreciate their efforts for the development of our society and justifying the years they spent in our institution.

Golaghat Purbanchalik College had an eventful year with Alumni meets at College, Motivational talks, and Alumni Lectures as part of their year-long celebration. Alumni of the college were invited to participate in the events throughout the year.

Many of them are willing to 'Give-Back' to their alma-mater as a mark of their appreciation and attraction towards the institution. With the objectives of 'sense of belonging to the Alma Mater', we are sure that we can increase strong bonding among the alumni and the College.

The college has created a weblink (on college website) to register the alumni all over the world and to make them the part of Alumni database of Golaghat Purbanchalik College. Apart from that, members of Alumni Association regularly contact and update their Alumni regarding the various activities through social networking groups.

Formation and Purpose

The Alumni Association was founded to maintain a strong connection between Purbanchalik College and its former students. As a registered body, it provides a structured platform for alumni to give back to their alma mater. The association efficiently manages and channels contributions from its members, ensuring these resources are effectively used for the college's betterment. Registered under the Societies Registration Act, XXI of 1860, with registration number RS/GOLA/239/RFSRS/202401646 of 2024-2025, the association operates with legal standing, enhancing its credibility and accountability. This registration allows the association to function transparently and strengthens its capacity to support the college through various initiatives.

Financial Contributions

Currently Purbanchalik College lacks a formal financial aid system, however the college aims to establish one in the near future. The association's financial resources are managed through an Indian Bank account (account number 7456244642, IFSC Code IDIB000H020, Branch Hatiakhowa), ensuring all transactions are handled securely and transparently.

Non-Financial Contributions

Beyond financial aid, the Alumni Association contributes in other invaluable ways to the college's development. The association also plays a key role in enhancing campus life by supporting alumni activities, and other programs. Which are crucial for the holistic development of students, helping them build essential life skills such as teamwork, leadership, and time management? Additionally, these events foster a sense of community among students and alumni, strengthening their ties to the institution.

Conclusion:

The Registered Alumni Association of Purbanchalik College is a crucial force in the institution's development. Through its financial and non-financial contributions, the association enhances the educational experience for students and ensures the college's continued growth, even without a formal financial aid program.
