असम ASSAM

H 409424

The following agreement is by and between **All in One digital Solutions and Purbanchalik college, Hatiakhwa Gaon, Golaghat Assam - 785626**

WHEREAS, Developer is an independent contractor hired to develop College website <https://purbanchalikcollege.edu.in/Educational> ERP software WHEREAS, Client seeks to utilize Developer services to develop a College website and Educational ERP software, for the college.

WHEREAS, the parties acknowledge that the Internet is neither owned nor controlled by any one entity; therefore, Developer can make no guarantee that any given reader shall be able to access Developer designed pages at any given time. Developer represents that it shall make every good faith effort to ensure that its designed sites are for as large an Internet viewing audience as possible;

NOW THEREFORE, in consideration of the mutual promises contained herein, the parties agree to the terms and conditions as follows:

- 1. Payments and time:** All the developed content will remain the property of Developer until the project cost has been paid in full. Developer reserves the right to remove the site from service until payment has been received in full. Hereby both the parties agree to sign the contract for a time of 5 years from the date of signing the agreement;
- 2. Content:** Client agrees to provide content for the site's pages, if the images or text is to be added to the website.
- 3. Completion Date:** Developer and the Client must work together to complete the project in a timely fashion. Developer agrees to work expeditiously to complete the project and it's maintenance on time. In the event that the Client fails to provide content, graphics or any other material needed to complete the project, the developer will not be held responsible for delays in completion.
- 4. Copyrights and Trademarks:** The Client represents (informs) to Developer and unconditionally guarantees that any elements of text, graphics, photos, designs, trademarks, or other artwork furnished to Developer for inclusion in Web pages are owned by the Client, or that the Client has permission from the rightful owner to use each of these elements, and will hold harmless, protect, and defend Developer from any claim or suit arising from the use of such elements furnished by the Client.
- 5. Copyrights to Web Pages:** Developer retains the intellectual rights to all hypertext markup language (HTML), computer programming, and graphical layout design performed within the Client's web site. Upon site transfer and payment in full, Developer will allow Client to use and replicate the HTML coding for its own lawful purposes. Rights to source code, work-in-progress files, and computer programs are specifically not transferred to the Client, and remain the property of their respective owners.
- 6. Design Credit:** Client agrees that the Developer may put a byline on the bottom of their index web page establishing design and development credit. Client also agrees that the website created for the Client may be included in the Developer's portfolio.
- 7. Assignment of Project:** The Developer reserves the right to assign certain subcontractors to this project to ensure the right fit for the job as well as on-time completion. The Developer warrants all work completed by subcontractors for this project.

8. Non disclosure: The Developer, its employees and subcontractors agree that, except as directed by the Client, it will not at any time during or after the term of this Agreement, disclose any Confidential Information to any person whatsoever. Likewise, the Client agrees that it will not convey any Confidential Information obtained about the Developer to another party.

10. Performance Liability: Developer does not warrant that the functions supplied by Web pages, consultation, advice, or Internet Website will meet the Client's requirements or that the operation of Web pages will be uninterrupted or error-free. The entire risk as to the quality and performance of the Web pages and Website is with Client. In no event will Developer be liable to the Client or any third party for any damages, including any lost profits, lost savings or other incidental, consequential or special damages arising out of the operation of or inability to operate these Web pages or Website, even if Developer has been advised of the possibility of such damages. It is solely client's responsibility to maintain and entry the data into the system.

11. Agreement Revisions: Revisions to this Agreement will be considered agreed to by Developer and Client when 1 month written notice of requested changes have been signed by both parties.

12. Lawful Purpose: Client may only use Developer's design services for lawful purpose. Transmission of any material in violation of any Federal, State or Local regulation is prohibited. This includes, but is not limited to copyrighted material, material legally judged to be threatening or obscene, pornographic, profane, or material protected by trade secrets. This also includes links or any connection to such materials.

13. Back Ups: Back up of database will be maintained only at the end of the month.

14. Entire Understanding: The agreement contained in this "Website Design Development Agreement" constitutes the sole agreement between Developer and Client regarding its web design services. It becomes effective only when signed by both parties. All prices specified in this Agreement will be honored for the terms listed above after both parties sign this Agreement. Continued services after that time will require a new agreement. This agreement shall be governed and construed in accordance with the laws of the Assam, India.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date indicated below.
